

To log in to email via browser on the web portal, hover over the email icon from the Edgewater School District's homepage. On the email log in page, enter the account to access the inbox

The screenshot shows the top navigation bar of the Edgewater School District website. It includes buttons for "Sign In" and "Register", a search bar with the text "Search this Site..." and a "search" button, and icons for "Staff Directory", "Calendar", "District Email", and "Staff Genesis". Below the navigation bar is a banner image of a school building. The main content area features the Office 365 logo and the text "Sign in with your organizational account". There are two input fields: the first contains the email address "abellefleur@edgewaterschools.org" and the second contains a masked password "*****". A checkbox labeled "Keep me signed in" is checked. A blue "Sign in" button is located below the password field. At the bottom, there is a link that says "Can't access your account?".
