

Once logged into your Google Account, you can access your apps by clicking on the apps icon on the upper left hand corner of your browser window. This will display all your installed apps such as Google Drive, Sheets, Slides, etc..

To add an app such as Google Hangouts, visit <https://chrome.google.com/webstore/category/apps> and search for “google hangouts” in the search box. Once the results are displayed, click on “add to chrome” on the desired app or extension, and confirm you are adding the app to Chrome.
