

Projector - Airplay Screen Mirroring from iPad

Projecting from Apple TV - To use Airplay to mirror from the iPad, make sure the iPad is connected to Staff_Wifi swipe up from the bottom of the screen on the iPad. Press the Airplay icon and select the appropriate room from the list. When prompted for a password, enter school and the room number. For GW room 102, the password will be "gw102". Once connected to the Apple TV, make sure mirroring is enabled. This will mirror the iPad screen onto the projector.
